3–5 DAYS / ANYWHERE IN AUSTRIA / NATIVE-SPEAKER TEAM / ALL-INCLUSIVE PROGRAMME

A **SCHOOL TRIP** where English is not on the timetable but simply happens. From the very first minute students speak with native speakers and discover that they can make themselves understood. Confidence grows out of that: in their English and in themselves. And it stays a real school trip: interactive workshops on topics students genuinely care about, plus group challenges and relaxed afternoons and evenings. You come along, we do the rest!

> *Even students who rarely speak up in class surpassed themselves and were able to show their language skills.*

THE ACADEMIES IN DETAIL

FOUR DIRECTIONS
ONE PER GROUP, FREELY CHOSEN

The Academy is the theme a group works on in their workshops. Content, level and pace are tailored to the group's age and language level. From day one something of their own takes shape: a film, a show, a brand, a performance. No two projects are alike: what emerges is the creative expression of the group itself.

ARTS ACADEMY

Theatre, film, performance and storytelling, led by actors, filmmakers and directors who work on set themselves. Students build their own productions, entirely in English.

- **Theatre, improvisation and stage workshops**
- **Film production, scriptwriting and directing**
- **Costume and set design**
- **Storytelling and narration tasks**

POSSIBLE OUTCOME AT THE END OF THE TRIP

For example a live performance, a short film or a premiere in front of the school community. The group decides where their idea leads.

For all year groups: from a playful start to an ambitious sixth-form production.

STARTUP ACADEMY

Everyday problems become bold solutions built by a team. The programme feels like a small startup accelerator!

- **Idea generation and problem-solving challenges**
- **Product design and prototyping**
- **Branding, storytelling and pitching**
- **Market research and strategy**

POSSIBLE OUTCOME AT THE END OF THE TRIP

For example a product concept with its own brand, an ad campaign or a pitch in front of a jury, depending on the idea the group pursues.

For ambitious classes with an appetite for ideas and innovation.

GROWTH ACADEMY

For students who want to discover their strengths and build self-confidence: through creative challenges, reflection and teamwork, entirely in English.

- **Workshops on confidence and mindset**
- **Discovering personal strengths**
- **Leadership activities and team challenges**
- **Creative self-expression**

POSSIBLE OUTCOME AT THE END OF THE TRIP

For example a personal manifesto, a self-written speech or a group project. The form grows out of the work done on the trip.

For older classes who want to grow and challenge themselves.

ALLSTARS ACADEMY

A selection of the best activities from the three other Academies: for groups who want to experience a bit of everything. Because the mix can be put together freely, AllStars suits any age and is especially easy to adapt to younger learners.

- **High-energy English games and challenges**
- **Creative team missions from Arts, StartUp and Growth**
- **Storytelling and art activities**
- **Music, rhythm and movement games**

POSSIBLE OUTCOME AT THE END OF THE TRIP

For example a big closing celebration, a show or an exhibition of the team missions from the trip.

For all year groups: the mix is decided together with you.

GROUPS & CHOOSING AN ACADEMY

HOW MANY GROUPS?

The number of trainers booked sets the number of workshop groups: **one trainer, one group**. Each group works independently with its trainer on the chosen Academy for the whole trip.

EACH GROUP PICKS ITS OWN ACADEMY

Each group can choose a different Academy, or all of them the same, exactly as you prefer. All that matters is that the **groups are roughly the same size**.

VOICES FROM THE SCHOOLS

> *We spent a wonderful week with our 2 classes together with the LevelUp team. The students had a lot of fun and were able to unfold their creativity. Even students who rarely speak up in class surpassed themselves and were able to show their language skills. Thank you very much for that!*

GRAMMAR SCHOOL FROM BERLIN, SCHOOL TRIP WITH A YEAR 8 CLASS (JULY 2026)

> *A once-in-a-lifetime experience and opportunity to really express yourself in a foreign language like you never have before. It helped me to gain the confidence to just talk and not think about it twice*
