1–5 DAYS / AT YOUR SCHOOL / NATIVE-SPEAKER TEAM

A **PROJECT WEEK** that takes place at your school: one to five days in an Spanish-speaking environment. From the very first minute students speak with native speakers and discover that they can make themselves understood. Confidence grows out of exactly that: in their Spanish and in themselves. The programme is tailored to the age, language level and goals of your groups; our trainers look after the groups entirely, so you as a teacher have that time free.

ALL YEAR GROUPS

THE ACADEMIES IN DETAIL

FOUR DIRECTIONS
ONE PER GROUP, FREELY CHOSEN

Content, level and pace of each Academy are tailored to the age and language level of your groups, from primary school to sixth form. From day one students work towards a visible result.

ARTS ACADEMY

Theatre, film, performance and storytelling, led by actors, filmmakers and directors who work on set themselves. Students build their own productions, entirely in Spanish.

- **Theatre, improvisation and stage workshops**
- **Film production, scriptwriting and directing**
- **Costume and set design**
- **Storytelling and narration tasks**

POSSIBLE OUTCOME AT THE END OF THE WEEK

For example a live performance, a short film or a premiere in front of the school community. The group decides where their idea leads.

For all year groups: from a playful start to an ambitious sixth-form production.

STARTUP ACADEMY

Everyday problems become bold solutions built by a team. The programme feels like a small startup accelerator!

- **Idea generation and problem-solving challenges**
- **Product design and prototyping**
- **Branding, storytelling and pitching**
- **Market research and strategy**

POSSIBLE OUTCOME AT THE END OF THE WEEK

For example a product concept with its own brand, an ad campaign or a pitch in front of a jury, depending on the idea the group pursues.

For ambitious classes with an appetite for ideas and innovation.

GROWTH ACADEMY

For students who want to discover their strengths and build self-confidence: through creative challenges, reflection and teamwork, entirely in Spanish.

- **Workshops on confidence and mindset**
- **Discovering personal strengths**
- **Leadership activities and team challenges**
- **Creative self-expression**

POSSIBLE OUTCOME AT THE END OF THE WEEK

For example a personal manifesto, a self-written speech or a group project. The form grows out of the work done that week.

For older classes who want to grow and challenge themselves.

ALLSTARS ACADEMY

A selection of the best activities from the three other Academies: for groups who want to experience a bit of everything. Because the mix can be put together freely, AllStars suits any age and is especially easy to adapt to younger learners.

- **High-energy Spanish games and challenges**
- **Creative team missions from Arts, StartUp and Growth**
- **Storytelling and art activities**
- **Music, rhythm and movement games**

POSSIBLE OUTCOME AT THE END OF THE WEEK

For example a big closing celebration, a show or an exhibition of the team missions from the week.

For all year groups: the mix is decided together with you.

GROUPS & CHOOSING AN ACADEMY

HOW MANY GROUPS?

The number of trainers booked sets the number of workshop groups: **one trainer, one group**. Each group works independently with its trainer on the chosen Academy for the whole week.

EACH GROUP PICKS ITS OWN ACADEMY

Each group can choose a different Academy, or all of them the same, exactly as you prefer. All that matters is that the **groups are roughly the same size**.

HOW THE WEEK RUNS

5-DAY EXAMPLE
3 WORKSHOP BLOCKS PER DAY

We fit around your timetable. The times below are a suggestion: we are happy to set start, end and workshop times by your regular plan, so breaks and lunch happen at the usual times. In our experience **4.5 hours per day (6 × 45 minutes)** is the ideal balance; shorter or longer days of up to 6 hours are possible. Please note: our trainers do not supervise during breaks.

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Block 1 90 min	Welcome & Intro trainer and group get to know each other	Workshop block 1 in your own group			
Break	BREAK AT THE USUAL SCHOOL TIME				
Block 2 90 min	Workshop block 2 in your own group				
Lunch	LUNCH AT THE USUAL SCHOOL TIME				
Block 3 90 min	Workshop block 3 in your own group				Final presentations for the school community
